

**Yellow warning
Rain**

Between
10:10 Sat 5 Aug 2023 and
16:00 Sat 5 Aug 2023

Heavy slow moving showers will give difficult driving conditions and some localised flooding.

What to expect

- Flooding of a few homes and businesses is possible
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

Heavy slow moving showers over southern Aberdeenshire Angus and Fife will slowly move west then southwest this morning, moving over the central belt early afternoon. Showers are likely to give 10-15 mm of rain in an hour with locally 20-25 mm in an hour. This will result in some surface water flooding, giving difficult driving conditions. Showers will gradually ease through the afternoon.

✓ Medium likelihood of low impacts

Issued at 10:10 Sat 5 Aug, 2023
